

MOZE THE GUNNER

Once a soldier in the Vladof army's Ursa Corps, Moze left their service to pursue her own mercenary interests and hunt for the Vaults. When the going gets tough, she can use her digistruct pack to summon her heavy mech "Iron Bear" and face down an army without flinching, using powerful mounted weapons to mow the opposition down. A veteran of wars from across the six galaxies, Moze and Iron Bear are a force to be reckoned with.
