

KRIEG

THE PSYCHO

A man of two minds, Krieg is the result of Hyperion experimentation, the program's greatest success, and its most notorious failure. After escaping, he carved a bloody path across Pandora hunting Vaults and wreaking havoc among bandits, Psychos, and other "garbage people". His two personalities, one a rage-fueled killer, the other a stoic thinker, are often at odds. However, there's one thing they both agree on: the other guy is crazy.
